MEMORANDUM FOR: Deputy Director for Administration

FROM: Robert W. Magee
Director of Personnel

SUBJECT: College Campus Activity Pertaining to
Central Intelligence Agency Recruitment Effort

1. This fall we have seen an increase in anti-CIA activity on the college campuses. It has been primarily confined to the northeastern part of the United States and has not affected our recruitment effort. In all but two instances it has been in the nature of demonstrations pertaining to publicity regarding CIA activities in Central America and, more recently, the publicity regarding the publication of the anti-terrorism manual.

2. The two exceptions have been at Tufts and at Earlham College in Richmond, Indiana. At Tufts, following students demonstrating at a CIA Information Seminar, [redacted] the undergraduate dean, temporarily curtailed CIA recruitment of undergraduates on the Tufts campus. At Earlham College [redacted] was requested not to come for a scheduled 31 October interview date because the Board of Governors of the college preferred not to have any adverse publicity during their current fund drive. The Placement Director pledged full support to any alternative plans, including mailing of resumes to our offices, and made it clear this was a one-time proposition.

3. I am attaching an office by office update of campus activity during this recruitment year.

[redacted]
Robert W. Magee
